Dawn: Well, I thought we are on the right track.

Max: Yeah, but we can't be lost here.

May: Maybe we should go back and take another path.

Ash: We can't, May. I don't think we can go back.

Raye: Got any idea?

Ty: Let me check real quick.
Ty pulls his map, checking to see if they can take an alternate path

Ty: Hmm, well, it appears that we're not lost here, so I guess we're good–wait a minute.

Teddiursa: Teddiur?

Raye: What?

Ty: There's a town not far, which is nearby. And the route that we're taking right now, it means that we're on the right track.

Ty: Shall we go there?

Ash: Sure, let's go see that town that we're going to.

Ash: That's the last piece.

Max: Ohh…

Lillie: Don't worry, we will get more supplies for our journey.

Teddiursa: Teddiursa.

Ash: All right. Let's go and check it out.
The gang agreed and they proceeded walking to the town that they were going to. They reach to the entrance and looked on the sign post

Max: I wonder what this town is.

May: The sign post, It says…Moonbright Town

Ash: Moonbright Town? Never heard of or been here during my previous adventure.

Dawn: I have never been here, since I visited Johto before, but it looks nice in this town.

Ash: Let's go check it out.

Ty: And we need to take our pokemons to heal. They need to rest.

Teddiursa: **Agreed** Teddiursa.

Sakura: Yeah, they're very exhausted.

Ash: Sure guys, let's explore this town and find something interesting.

Pikachu: **Nodded** Pika.
The gang have agreed as they enter Moonbright town, as they walking by, they see people including trainers entertaining with their Pokémons

Raye: This town looks peaceful.

Jonah: They got trainers here too.

Ty: And they even have a battlefield over there, I bet I'll have a battle with anyone.

Raye: **Smile** You're always willing to accept someone's challenge.

Ty: **Smile** Trust me, Raye, I never get tired.

Teddiursa: Teddiursa.

Dawn: **Smile** Are you looking for a challenge like me?

Ty: Well, maybe some other time.

Dawn: **Smile** Just asking.

Raye: I wonder if they have any stores to buy more supplies.

Max: Yeah, cause I ate the last piece of this sandwich that Ash gave me.

Ash: We should buy it right after we exit the pokemon center.

Raye: Good thinking.

Ty: Sounds good, Ash.

???: Hello kids, and welcome to Moonbright.

Ash & his friends: ?
The gang turns to see a middle age man and a male assistant with a smile at them

???: **Smile** Is this your visit?

Ash: Well, it's our first visit here, we have never been here before.

???: That's good to hear see our first guest here. I'm Mr. Knowles, the owner of this town. And this is my assistant, Lucio.

Lucio: Hello everybody.

Ash: It's our pleasure, Mr. Knowles and Lucio. I'm Ash Ketchum. My friends and I just stopped by during our journey.

Pikachu: Pika.

Mr. Knowles: **Smile** Ahh, how kind of you. This town is comfortable for any of our guests to come. We have a great place for you to see.

Lucio: And we also have a battlefield for any trainers to challenge anyone for a pokemon battle.

Ty: **Smile** That's what we passed by.

Jonah: **Smile** And it's larger than I ever imagined.

Lucio: That's great.

May: What other places do you have?

Mr. Knowles: **Smile** Lucio will show you to explore. I'll leave it to you.

Lucio: **Smile** As always.

Mr. Knowles: I'll see you later, kids.

Ash: Thanks.

Lucio: All right, follow me.
Lucio takes Ash's team to explore around the town of Moonbright

Max: So do you really have people and trainers that live here, including the visitors like us?

Lucio: Yes. It's like a normal town! Our community is flourishing, with trainers and locals milling about.

Max: That's incredible!

Dawn: Do you also have a pokemon contest here?

Lucio: We don't to be honest, even we have a battlefield here for Pokemon battles that you want to challenge.

Dawn: It's all right. Some of us, including me, were interested in competing to be a top coordinator.

May: Yeah, I love going to a contest.

Lucio: That's very smart for you.
As they are looking around, they see some pokemons at those fences, it was a pack of Oddish, Bellsprout, Girafarig, and Piloswine

Jonah: Hey, look.

Oddish: Oddish. Oddish.

Girafarig: Rig, rig.

Bellsprout: Bellsprout.

Piloswine: **Grunt sound**

Raye: It's pretty nice for having pokemons by those fences.

Max: Yeah, that should keep them safe while being tamed by visitors.

Lucio: Exactly.

Sakura: It's like a safari zone we're other pokemons are.

Ash: I've been to the safari before. I can take you there if it's up to you.

Pikachu: Pika Pika.

Lillie: I love it too. I have never been there.

May: Hm? Hey look. They have flower shops.

Sakura & Lillie: **Smile**
May, Sakura and Lillie sees some flowers at the shop on sale

Sakura: These flowers are so nice, just like what I have at my home.

May: Imagine if I can buy one and decorate my room.

Lillie: I should buy one for my family when I see them again.

May: Maybe you can buy one later when we visit your place.

Lillie: That'll be nice.

Ash: Hey, let's get going and see other places they have. We don't want Lucio waiting for us.

Lucio: It's all right. There's no need to rush.

Ty: He's right, let them see anything they like.

Teddiursa: Teddiursa.

Ash: Hehehe, well I guess you're right.
May, Sakura and Lillie regroup with their friends as they continue walking around the town. Later, they finished their tour

Lucio: Well everyone, that's the end of our tour. How did guys enjoy it?

Ty: It was awesome. And very comfy.

Max: Let's do that again sometimes.

May: But we have to focus on our journey.

Max: Okay.

Ash: Anyways, thanks for guiding us for a tour, Lucio.

Lucio: Glad to be of your service. I'm gonna head back to Mr. Knowles office, if you guys need anything you know where to find us.

Lillie: Of course.

Lucio: Well then. See you later.
Lucio leaves back to Mr. Knowles office leaving the gang doing on their own

Ty: Whew, that was fun.

Teddiursa: Teddiur.

Raye: Yeah, we're all exhausted.

Sakura: But we had a great time on a tour.

Lillie: I agree with you. We can finally rest.

Dawn: I think it's time for a break now.

Jonah: And I need a lunch break.

May: Same here, cause I started to think that Max is hungry.

Max: **Rolling his eyes** Yeah, thanks for asking big sis.

Ash: You're right, guys. Let's go to the pokemon center now.
Ash and his friends head to the pokemon center for a break. While they are on lunch break and their pokemons are resting, May and Max contacts their parents on a phone call

May: We're having a great time together, dad. And we met other trainers that we met.

Max: And we saw some amazing pokemons too.

Norman: **Smile** That's good to hear, May. We are very proud of you two.

Caroline: **Smile** I'm so happy that you two are working in progress.

May: Don't worry, mom. My friends are doing a great job by traveling safely.

Caroline: That's good for you for having friends with you.

Pikachu: Pikachu.

May & Max: **Smile** Hehehe
During the phone call, Ash and Pikachu joins the chat with them

Ash: Hey Norman, Caroline. It has been a long time.

Norman: Ash, great to see you again. How did it go with our kids?

Ash: So far so good. We're enjoying our time with our friends

Caroline: How wonderful for you for spending time with our babies.

May: **Smile** Oh mom.

Max: **Teasing** These two are getting along, and they have romantic feelings for each other.

Ash & May: **Surprised & blushed** Max!
Ash and May were blushed at Max's teasing while Norman and Caroline laugh and Pikachu realized about Ash having a crush on May with Smile without noticing him

Norman: **Smile** He's just kidding. He always loves to tease May about a handsome boy.

Ash: Handsome boy? That's me, isn't it?

Caroline: **Smile** Ah, don't worry about it, everything will be fine for you three.

May: Whew, for now.

Caroline: So where are you right now?

May: We're at the pokemon center in Moonbright town, we're taking a break and leaving right after.

Caroline: That's good. Make sure to stay safe and your friends too.

Norman: And you're welcome to come home for a visit along with your friends.

May: Sounds to me, dad.

Ash: I can't wait to see you again, Norman.

Norman: Anytime, Ash.

Ash: We'll contact you next time. Take care.

Pikachu: Pika Pika.

May: By mom, dad.

Max: We love you.

Norman & Caroline: We love you too.
They ended a phone call with Norman and Caroline

Ash & May: **Whew**

Pikachu: Pika.

Max: We had a great chat.

May: But you better not tease us that you said earlier.

Max: Okay, sorry big sis.

Raye: Are you three done? We're having some lunch, there's plenty left for you.

Ash: Yeah, we're coming.
Ash, Pikachu, May and Max regroup with their friends for lunch

May: Thanks for saving some lunch for us.

Lillie: No worries, you got here on time for a break with us.

Max: That's good, cause I'm hungry.

May: Take it easy, Max.
While the gang are enjoying their lunch, Nurse Joy arrives to see them

Nurse Joy: Pardon for interruption. Your pokemons are fully rested.

Jonah: That's good news. We should pick them up right after our break.

Ash: Good idea, Jonah. Let's eat our lunch first.
They resumed eating their lunch until they could get their pokemons after they were fully healed. Later, they exited the pokemon center

Lillie: Well, our pokemons are completely healed.

Dawn: So, are we going to explore this town, or leave for our journey?

Ty: Well, maybe we can continue walking around if you guys want.

Ash: Sure, but you're not going to train Teddiursa today?

Ty: Maybe later. Let's see other places. What do you say, buddy?

Ash and his friends were looking at the girl, still sad as Ty looked at her familiar, they decided to talk to her

Ash: Hey there. Is there a problem? You look sad.

Girl: **Sad** Hm? How did you know?

Ty: We saw you trying to interact with anyone, you've been rejected.

Girl: Ohhh, so you did see that.

May: We didn't spy on you. We just exited the pokemon center right before we saw you.

Girl: Oh okay. Well, I was trying to interact with any guys that I like, so I asked to go on a date or hang out together. It didn't work. I was rejected. I've tried everything.

Ash: Ohh.

Girl: And I wish they would protect me.
Ash's team felt bad to her until they advised her

Ash: Listen, I know how you feel about getting rejected by someone who is dating. But instead of that, why don't you hang out with us?

Ty: Yeah, and tell everything about you.

Girl: **A bit smile** You mean it? That will be lovely.

Ty: That's a spirit.
She was feeling a lot better, thanks to Ash and Ty's advice as she got up from the bench

Girl: Thank you. I feel a little better.

Ash: That's good to hear. I'm Ash Ketchum from Pallet Town and these are my friends here. Ty and his pokemon partner Teddiursa, May, Max, Jonah, Sakura, Raye and Dawn. And this is Pikachu, my best buddy.

Ty: Hey Sarah. Sorry that you lost.

Sarah: **Sad** I just trained harder to win. But I lost.

Ty: It's okay to lose. But let me give you some advice.

Sarah: Hm?

Ty: Losing in the pokemon battle, that doesn't mean that you accept defeat. It means you have another battle to win. We're going to help you train your pokemon to get stronger. And let's train together if you want to, that way you'll win next time. What do you say?

Teddiursa: Teddiursa.
Sarah listens to Ty's advice, helping her to improve by training for the next battle to win. In seconds, she smiles

Sarah: **Smile** Thank you, Ty. And you're right. I have to train Litten, and we can have a rematch next time when he's strong enough.
The gang we're happy for her as she's feeling better

Ty: **Happy** That's my cousin.

Ash: Now that I want to see you feel better.

Mr. Knowles: **Smile** That was an impressive battle you had.

Ash & his friends: Hm?
Mr. Knowles and Lucio approach to Ash's team

Sakura: **Smile** You saw their battle too?

Mr. Knowles: Yeah. You two had a great battle with each other.

Lucio: That was a decisive battle. And you trained your pokemons as well.

Ty: Thanks. Even though she lost today, she earned a rematch for next time.

Sarah: That's right. And I'm going to be strong enough to be the best pokemon trainer in the world.

Mr. Knowles: How nice of you. You'll be a great trainer.

Teddiursa: Teddiursa.

Ty: You're my favorite partner that I ever imagined.

Teddiursa: **Happy**

Sarah: **Smile** And you're my favorite cousin as well.

Ty: **Smile** Just as I wanted to hear.
Suddenly, many trainers and citizens gathered in circles, applauding Ty and Sarah for their battle as the gang smiled at them. Later in the sunset, Ash and his friends are preparing to leave

Ash: Well, Mr. Knowles, Lucio, we're leaving on our own now.

Mr. Knowles: **Smile** Glad to hear it. And thank you for coming to visit our town. You can stop by whenever you want.

Ash: Sure, but we're resuming our journey. And we have an upcoming battle that we're waiting for.

Mr. Knowles: **Smile** Very well then.

Lucio: Best of luck all of you.

Ash: Thanks.

Pikachu: Pikachu.

Dawn: Wait, we're waiting for Ty and the others.

May: Huh? Where's Max?

Max: We're coming!
Ty, Teddiursa, Raye and Max came back with their food and snacks they bought

Raye: Sorry to keep you waiting. We bought food and snacks for our journey.

Ty: And some drinks too.

Teddiursa: Teddiursa.

Lillie: That should do it for all of us.

Jonah: So we're heading out now then?

Ash: Yeah.

Sarah: You're heading out to your adventure?

Ash: Yeah, we're leaving now. And we have an idea. Wanna join us for our journey?

Sarah: Can I come with you guys?

Dawn: Yeah, that'll make more people into our group.

Sakura: And maybe you'll find someone to protect you like Ash mentioned earlier.

Ty: And I'll help you if you need anything, right cousin?

Sarah: **Amazed** Guys...cousin...thank you...I'm in!

Ash: All right then. It's settled then!

Pikachu: Pika Pika!
Ash's and friends, along with Sarah waves goodbye to Mr. Knowles and Lucio and they exit Moonbright town and resumes to reach Olivine City

Narrator: Despite Sarah being defeated in her battle, Ash and his friends have welcomed her to their team for an adventure, which she earned for a rematch next time as they resume to reach their next destination for Ty's upcoming gym battle at Olivine City.

To be continued...

(Pokemon Master Revolution Theme Song Plays. Outro:)
I've become the very best
That no one ever was
I've traveled regions and caught some more and now it's time to rest.
Not so fast, here comes some more
And new friends too and they got some things to do
I'll teach them, all the things I've learn about
Pokemon, gotta catch em all, gotta catch em all
I guess it's true and my friends are with me too
It is time for a brand new journey and Pokémon gotta catch em all
Gotta catch em all
